Introduction

Message from Managing Director

Each summer (since 2004), the **DLTC English Language School (Dublin, Ireland)** offers an **exciting programme of English classes and extracurricular activities to foreign teenagers who want to learn English in Ireland**. We are a **family-run business** and provide a **very personal service** to each student and take great care to ensure that **students are safe, relaxed and enjoying themselves** throughout their stay. As part of our most comprehensive package, DLTC:

- meets the student at the airport;
- places them in accommodation with an Irish family vetted through Ireland's police vetting system;
- places them in English classes appropriate to their level of English;
- integrates them with other students;
- focuses on developing students' fluency and speaking ability;
- provides them with a range of fun and interesting holiday activities;
- monitors their progress and contentment;
- finally returns them to the check-in and security gates at Dublin Airport for departure

Feel free to contact us on info@dltc.ie with any questions you have and we hope to hear from you soon!

Best wishes,

Bob Golden

About our Summer Junior English Study Holidays in Dublin

Who is our course for?

The **summer junior English study holiday** is aimed at students from around the world between the ages of 12-17 years who wish to attend **English courses in Ireland** and enjoy a holiday at the same time. We welcome individual students arriving on their own as well as groups of up to 50 students at a time.

When is the course available?

The course is available each year in July. See dates in Dates & Prices section.

Where is the English study holiday based?

Dun Laoghaire, Dublin

This **summer junior English study holiday** takes place in an area called Dun Laoghaire (pronounced like 'dunliri') which is part of Dublin, the capital of Ireland. It is a beautiful seaside town and well-known as a very safe and upmarket part of Dublin. The town centre is small and very safe and easy for young students to find their way around. It has lots of amenities with shopping centres, cinema, cafes, library etc

- The English course takes place at our impressive and modern summer campus in Dun Laoghaire (*not at our offices!*). The campus operates as a 3rd-level college the rest of the year.
- The school campus is 5-minutes by bus from the centre of Dun Laoghaire and has all the facilities of a typical 3rd-level college including canteen.
- The area is well-known as a very safe, picturesque and up-market part of Dublin. It has lots of transport links and is an ideal base from which to explore. Dublin city centre is only 20 minutes away in one direction and the beautiful natural landscapes of Wicklow 20 minutes away in the other direction
- Host families are located throughout the greater Dun Laoghaire area and nearby residential areas, typically 5-40 minutes from school, with an average journey of approximately 20-25 minutes. Students normally travel to and from their host families each day by public transport, just as the local school children do, and it is very safe and easy to do so. Host families show and explain to students the best way to travel from their home. See more in our Accommodation section.

What do we provide?

Our comprehensive **summer junior English study holiday (SJA)** includes all of the following:

- **English Classes**
(Monday-Friday 09:00-12:20)
- **Accommodation** + all meals
(with Irish host family)
- **Assessment Tests**
- **Local Bus & Train ticket** (unlimited use for duration)
- **Airport Arrival and Departure personal transport service**
- **Weekly Activity Programme:** 5 afternoons, 2 evenings and 1 full-day excursion. Activities are of high-quality, fun-filled and full of adventure.
- **Course Certificate & Detailed Report** with suggestions for further learning
- **24-hour emergency contact** number

Important: when choosing a school, check what is included in the price and what is not. Many schools do not include airport transfers or local travel tickets in their standard prices.

IF YOU DO NOT REQUIRE A FULL PROGRAMME, YOU CAN CHOOSE BETWEEN:

- **English Classes only (SJC-DL)**
- **English Classes with Activities & Local Travel Ticket (SJB-DL) (no accommodation)**
- **English Classes with Activity Programme, Homestay Family Accommodation and Local Travel Ticket (SJA-DL)**

A very personal and responsive service

In order to ensure that students and parents are as happy and relaxed as possible, we provide:

- 24-hour school contact number (for parents, students, and host families)
- A feedback form each week to check satisfaction with class, accommodation, meals, and general contentment
- personalised welcome pack on arrival
- personalized online level test before arrival
- individual speaking assessment on first morning at school
- active introductions to other students on the first morning so no student feels isolated
- personalised reports and suggestions for further study at the end of courses
- We also obtain relevant police checks (Garda Vetting) on all host families and staff

What's New in 2027?

- **Students will continue to have the opportunity to meet Irish teenagers who will join in their classes and activities** for set periods each week - an opportunity to make local friends, connect with peers, practice English and discover Irish youth culture.
- new activities different from those in 2025 and 2026 so students won't repeat the same ones
- new excursions to different parts of Ireland
- new class materials

About our English Classes

We provide:

- 15 hours of General English classes per week (Monday-Friday 09:00-12:20)
- Experienced, native-speaking English-language teachers with recognised qualifications for teaching English to international students
- 6 levels of English classes from Beginners (A1) to Advanced (C2)
- Online assessment test before arrival and personal oral test on first day
- Special focus on getting students 'speaking' and using the language successfully by focusing on topics relevant to the student
- **'Meet your Peers'** - unique feature! – meet and learn with Irish teenagers for some classes each week
- Average class sizes of 12 students per class (Maximum 15)
- Use of all course materials and use of modern, interactive, classroom technology
- Weekly monitoring of progress with progress test
- A short piece of homework most days - this can involve getting students to find out information from their host families or some other task designed to exercise their English outside of class
- End-of-course Certificate, suggestions for further study, progress report and Statement of Results

Important: We focus on 'speaking'

At DLTC English Language School, our belief is that you haven't really learned a language until you can speak it. Many students arrive at our school with some ability to answer English grammar questions in books but with little experience in using that knowledge and actually speaking the language. Therefore, while our classes also cover grammar, writing, listening and reading, our main focus is getting students to speak the language successfully. We do this by focusing on relevant, real-world topics that are of interest to the student and that are matched to their level. We have 6 class levels available from Elementary A1 to Advanced C2 so whether a student is only beginning in English or aiming for a Cambridge exam, we know our classes will help them succeed at their goals. Our aim is that at the end of the course each student will be able to talk about their summer in Ireland and depart with better fluency, an increased vocabulary and a greater confidence in their use of English.

Typical Class Schedule

	09:00-10:00 & 10:10-11:10	Break	11:20-12:20
Monday	Introductions, Oral Assessments, team building activities, speaking activities		General English Class
Tuesday	General English Class (homework correction, grammar, Exam Skills module, language topics, vocabulary, listening, reading and writing exercises)		Speaking Activities / introduction and review of worksheets related to afternoon activities / Project Work / Progress Test on Thursday / 'Meet your Peers'
Wednesday			
Thursday			
Friday	General English Class		Review of the week, activity worksheets, debates

Accommodation with Irish families

Students can choose to stay with a local family. It's a great way to practise speaking English and to gain a real cultural experience by discovering what life is like in an Irish home. Irish host families are very welcoming. They take a great interest in their guests and often include the student in the family activities. Our students often comment how they feel at home and like one of the family!

Safeguarding

*DLTC is committed to **safeguarding** every student. Relevant adult household members and staff are vetted through **Ireland's national police vetting system** (Garda Vetting). Students may report any concern to any member of staff or through the 24-hour emergency number provided with their arrival information. In the unlikely event that a concern is raised, it is acted on immediately. [Read our Child Safeguarding Statement.](#)*

What you can expect:

- A welcoming and caring Irish host family that has been carefully selected and visited by our accommodation staff and whose relevant adult household members have completed Ireland's national police (Garda) vetting process.
- Three healthy meals each day:
 - o Breakfast: cereals, toast, fruit, tea/coffee/juice
 - o Packed-lunch: fruit, sandwich, drink, crisps/bar
 - o Dinner: pasta/rice/potatoes with meat and vegetables/salad with dessert
 - o Vegetarian families are available. Special dietary needs (coeliac etc) can be catered for on request (additional costs apply)
- homes located in safe, residential parts of the greater Dun Laoghaire area - at a minimum/maximum of 5-40 minutes from school and with an average journey of approximately 20-25 minutes.
- a wide range of families which are matched to students' needs
- **for students aged 13-17 years** (at the time of the course start), you may request to be the only student of your nationality/mother-tongue in the house.
- **for the younger students aged 12 years (at the time of the course start), we may require them to share their host family with another student of the same nationality/mother tongue. In our experience, students at this age can sometimes feel homesick, shy or anxious, and sharing can help them settle into the experience.**
- There are a maximum of 3 students per house. Students may be in single or shared rooms depending on availability.
- Laundry once a week
- Family details (including address, telephone numbers, names, ages and interests of the family) are normally provided 3 weeks before arrival.
- Students normally travel to and from their host families each day by public transport and it is very safe, normal and easy to do so. Host families show students the best route on the first day and explain how they should get home.
- **Tip: If your child has never used public transport before, we suggest you give him/her a little experience of it in your own country before coming to Ireland – it will help with any worry that you**

or your child may feel. Also if this is your child's first time abroad like this, it helps to reassure them that homes, people and customs will be different to what they are accustomed to and that learning to adapt to these things is part of the experience. While not necessary, we do suggest that students, particularly younger students, should have at least a little experience of being away from parents before – it helps relieve worry of parents and students.)

Arrival and Departure

Airport transfers are included in our accommodation package for individual students. Here's what we offer:

- to meet the student personally in the Arrivals hall of Dublin airport
- to sign for student on arrival if travelling as an Unaccompanied Minor
- to bring the student by private car to their host family and introduce them
- to provide a welcome pack which contains school ID card, local bus & train travel pass, local maps, school and family contact numbers, notepad and pen
- on departure to collect the student by private car from host family
- to bring the student to the airline check-in desk and the security gates for departure
- to sign for the student at the airport check-in if an insurance waiver is required by airline or if travelling as an Unaccompanied Minor (*extra fee applies in both cases as driver must wait at airport until flight departs or until air stewards take charge – see booking form for current charges*)
- Students can generally arrive 1 or 2 days before the start of the course. Accommodation is provided on a weekly basis so students will generally leave on the same day of the week they arrive (additional nights are possible for an extra fee)

(Groups (10 students or more) are met on arrival at Dublin airport in the arrivals hall and are taken by private bus to a meeting point where the students are introduced to their host families. Similarly on departure families bring their student(s) to a meeting point for departure by private bus to Dublin airport.)

TIP: Students who are traveling alone should carry a letter signed by their parent(s) and with their parents' contact details giving them permission to travel and attend DLTC Language School. This may be requested at Immigration Control in the airport. The letter should provide contact details of parent(s)/guardian(s) and contact details of school (provided to you in advance of arrival). Please check with your local police and airline for any additional requirements they might have for minors traveling alone.

About the DLTC English Language School

The DLTC is an English language school based in Dublin, Ireland, and has been providing English language courses to foreign students since 2002. We specialise in providing courses with cultural, sporting, sightseeing and activity programmes to foreign teenagers and adolescents – coming to our courses either as individuals or as groups.

The DLTC English Language School is motivated by a very practical sense of learning. We believe that you haven't really 'learned' a language until you can speak it successfully. So, the main focus of all our courses is to get students to 'speak' English. Many students arrive on our courses knowing how to answer grammar questions but are not able to talk about themselves or their ideas. For that reason, we spend as much class time as possible getting students to talk and getting students to talk about topics that are relevant and interesting to them. We believe that if a topic is not interesting or relevant, students won't want to talk; and if they don't want to talk, then they'll never learn to speak the language.

During the summer, the DLTC English Language School offers our Summer Junior English & Activity programmes. This is a hugely popular programme and we have been operating it since 2003. On this programme, we welcome private individual students - who travel on their own or with friends - as well as larger groups of teenagers from language schools, secondary schools, and other youth organisations in any country.

During the spring and autumn, DLTC English Language School welcomes groups from secondary schools around Europe and the World who want to spend a study week in Ireland. We provide an English language course to suit the needs of the group; accommodation and meals with an Irish host family; transfer service to and from Dublin airport; and an activity programme specifically designed according to the wishes and budget of the group so that they can enjoy the famous sights and entertainment activities that Dublin and Ireland has to offer.

Other Courses Available each year

Contact us for details of our other courses :

- Private English & Activity Programmes for School Groups in Dun Laoghaire (Dublin) : Available on request February-June and September-October.
- Part-time evening English courses for Cambridge First Certificate and Advanced exam preparation: available September - June
